Did you know Mrs. Savage has a website to help with this assignment?

Welcome to Mrs. Savage's Site for the Library Media Center

search the [Library Catalog](#) for books. **The catalog link only works at school.* Learn about library media center events, learning resources and to make suggestions.

Saville Library Media Center

Library Media Center Hours: Monday-Friday 8:20-3:40

Saville Library Media Center offers many resources and services to enhance each student's educational experience, promote information literacy, and support the common core standards and 21st century education.

Print Resources: Saville Library Media Center houses over 19,000 books worth over \$400,000. About half of these reading materials are non-fiction books with informational text about people, places, events and cultures that support our math, English, reading, electives, science, and social studies classes. The other half of our collection includes fiction novels in various reading lexile levels and genres.

I love getting input on books and events you would like to see at the library. Please complete the form to make suggestions for our library.
