A researcher should consider bias when reviewing a research source. You may wish to ask yourself these questions about your source:

Who wrote this document?

What is the author writing about?

What is the author's opinion on the topic?

Do you agree with the author's opinion?

Annotation of the Source

(Answer these questions?)

- 1- What type of source is it?
- 2- What information did you find in it?
- 3- How did it help you during researching and preparing your project?
