

Name _____

Directions: On the first day, you will only have access to the dictionary, encyclopedias, and other print material. No online access allowed. On the second day, only online access is allowed. No print material. On the third day, you will present to the class. You may choose to do:

1. At least 5 vocabulary words in the form of a skit, charades, or other way. No power points, reading of definitions, poster boards, or other print forms of definitions.
2. At least ten words in the form of a board game.
3. A graphic organizer to assist with learning words. No flash cards can be done.
4. A short story that tells a story and uses ten words correctly.
5. A Venn Diagram comparing/contrasting the two ways to find definitions.
6. Other ideas are welcome, just check with me first!!!!
